Systems: AWS WMS + SQL • Microsoft Dynamics 365 • Oracle ERP • SAP TM • CargoWise • Real-Time Dashboards

PROFESSIONAL EXPERIENCE

A to Z Marine & Offshore Services (Sendian Group) | Doha, Qatar Mar 2025 – Present

Marine & Offshore Project Coordinator

- Coordinated turnkey marine and offshore vessel mobilisation projects up to \$4.5M per charter lifecycle, tracking milestones, scope, and budget through to completion.
- Maintained 98.2% on-time project delivery across onshore fabrication facilities and DP-vessel offshore operations by optimising sub-contractor allocations and supply chain sequencing.
- Served as primary liaison for QatarEnergy and North Oil Company — leading daily progress reviews, managing technical variation orders, and enforcing ISM / IMCA safety standards.

Dukan Retailing Co. (Al Dabbagh Group) | Jeddah, Saudi Arabia Jan 2024 – Feb 2025

Store Manager

- Supervised cold-chain distribution and fresh grocery merchandising; implemented stock-turn audit rules that reduced product waste and shrinkage by 14%.
- Enforced a 0.75% inventory shrinkage guardrail across all outlets; rerouted frozen stock deliveries direct-to-store, eliminating the central mother-warehouse leg and cutting cold-chain exposure and last-mile fuel cost.

Amazon Logistics (GSF / UFF) | Ahmedabad, India Apr 2021 – Dec 2023

Area Team Lead — Ultra-Fast Fresh & Multi-Category Fulfilment

- Led end-to-end floor operations for 100+ associates across Ultra-Fast Fresh cold-chain, electronics, and apparel (SSD) — processing 12,000+ cross-category daily orders at 99.4% Perfect Order Rate.
- Raised floor productivity from 105 to 122 UPH using real-time Amazon dashboards to dynamically clear station bottlenecks and rebalance staffing across three sites.
- Ran daily 4M / 5S audits and GEMBA safety walks; maintained a zero-incident warehouse safety record across consecutive quarters.

Spoton Logistics (now part of Delhivery) | Navi Mumbai, India Jun 2020 – Mar 2021

Operations Officer — Uran Branch, Navi Mumbai Port Corridor

- Managed 350+ tons of daily express cargo at the Uran gateway hub; directed multi-bay cross-docking and container operations, achieving a 0.04% inventory discrepancy rate.

Rivigo (now part of Mahindra Logistics) | Mumbai, India Feb 2017 – Jun 2020

Operations Associate — Express Logistics

- Managed 80+ commercial vehicles per shift at an express relay hub; cut Vehicle Turn-Around Time (TAT) by 18% and held on-time line-haul dispatch consistently at 96.5%.

EDUCATION

Bachelor of Business Administration (BBA), International Business — Graduated 2017 | Bharati Vidyapeeth University
